

We are pleased to introduce a leading public entity insurance program manager providing specialized coverages for entities that treat, store or distribute water.

**GLATFELTER PUBLIC PRACTICE (GPP)** is dedicated to serving the unique insurance and risk management needs of water-related entities and other public entities.

### What Is Offered

GPP's coverage is among the broadest available for water-related entities and includes:

- Property
- General Liability (\$1 mil Occurrence/\$3 mil Aggregate)
  - No exclusion for Failure to Supply Water
  - BI & PD for Sewer Back-up
- Automobile
- Equipment Breakdown
- Crime
- Inland Marine
- Public Officials & Management Liability including:
  - Cyber Liability
  - Privacy Crisis Management Expense
  - Employment Practices Liability
  - Employee Benefits Liability
- Excess Liability – with underlying continuity

### What Is Included

- Real and Personal Property – Total Blanket
- Defense Expense outside the policy limits
- Separate coverage and limits for General Liability and Management Liability
- Eight pollution liability exceptions
- No lead exclusion for potable water

### What Is Featured

- Underwritten through an A.M. Best "A+" (XV) Superior rated insurance company
- Nationally filed and available on an admitted basis
- Highly-experienced Claims Management
- Technical reference bulletins & resources
- Broker training via niche education

### Unique for Board Members

GPP offers an Occupational Accident & Business Travel Program that provides board members and employees with specialized coverage for board-related and employee activities such as traveling to/from meetings, conventions and public hearings, performing site inspections, or attendance at authorized activities.

This is only a brief description of the coverage available. The policies contain reductions, limitations, exclusions and termination provisions. Coverage may not be available in all states.
